No-Show Policy

Cancellations must be received a minimum of one hour prior to your pick-up time, if you fail to cancel your ride before this time, you will be listed as a No-Show and are responsible for the fare. Service will not be provided until you make arrangements for payment. If you are a No-Show for your pickup, your return ride will automatically be canceled. Please be advised, that if you request a pick up and fail to cancel the ride, after three (3) no-shows in one month we will remove your name from the driver's trip sheet. A letter will be sent out and you will be suspended for thirty (30) days.

Consequences of Repeat Scheduling and Canceling of Rides

Cancellation is defined as where a rider informs Dispatch of no need for trip after the Driver receives the trip sheet but before the bus arrives.

1. After the third time in 30 day period, the passenger will not be allowed to book multiple trips.
2. If cancellations continue, the passenger will be suspended for a period of two weeks. At the time of reinstatement the passenger will be allowed to book only one trip at a time.
3. After 90 days with no cancellations the passenger will be allowed to again book multiple trips.

With the current demand for service, booking and canceling a ride denies another person from using the bus.
